

Double Daycare tells you more about their program below.

ACTIVITIES

Double Daycare provides a variety of different activities and different themes each day to make sure your child will have the best time ever! We set up our POP-UP event childcare, which right away excites all kids to come in and have fun.

We offer activities such as painting, arts & crafts, music & movement, board games, story time, Lego and many more! Besides this we offer group games, physical activities and dramatic play. We provide activities appropriate for each age group, using safe and sturdy equipment. Children can make their own choices within the Double Daycare program.

CHILDCARE WORKERS

Double Daycare team members are selected according to their integrity, experience, education and enthusiasm. All of our team members are wonderful with kids and in possession of a certificate of conduct!

BABY'S AND TODDLERS

Our program is also open for the youngest children (as of 4 weeks old). We have a ground box, which is a separate space, safe for the smallest ones. Besides this, there's a crawling obstacle course where they can crawl on/over. We have special child seats and beds; in case your little one needs to take a nap during childcare.
